Dear Mr. Rock:

Many thanks for your thoughtful letter of August 3rd inviting me to address the Nebraska State Bar Association on Thursday, October 27. Unfortunately, I am heavily scheduled at that time and will simply not be able to join you, much as I would like to do so. I received an endorsing letter from Judge Ross, and if anyone could persuade me to visit Nebraska, it is he. But the Fates and the Schedulers have dictated otherwise.

I hope you have a most successful meeting. I will miss seeing my many friends in the Nebraska Bar.

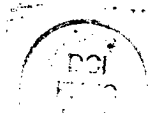

With best wishes,

Sincerely,

William H. Webster  
Director of Central Intelligence

Dear Judge Webster:

It is my privilege to invite you to return to Nebraska to address the membership of the Nebraska State Bar Association on Thursday, October 27, 1988 at its annual meeting luncheon which will be held in Omaha. The luncheon is expected to begin at 11:45 and be completed by 1:30.

You would do us great honor if you agree to join us at the annual meeting. The luncheon is the main event of the annual meeting of the Nebraska Bar. We will be happy to make arrangements for a special table for any of your personal friends in Nebraska.

I hope your schedule will permit you to join us. I look forward to hearing from you.

Yours sincerely,

Harold L. Rock

UNITED STATES CIRCUIT JUDGE

August 3, 1988

Dear Bill,

I enclose herewith a letter from the president of the Nebraska State Bar Association inviting you to address the Nebraska State Bar meeting on October 27, 1988. I am sure the State Bar Association membership would enjoy the remarks that you would make at such meeting and I hope you will be able to fit it into your busy schedule.

I am sorry we did not get to visit more at the conference. It always seems that you are surrounded by friends and well-wishers and I am reluctant to take time away from them. Perhaps when I come into Washington this fall we can have lunch.

Sincerely,

Donald R. Ross

P.S. Bill, I know that there are great demands on your time and please do not be concerned if this does not fit into your schedule. I am sure that they will understand and I certainly will.

Honorable William H. Webster  
Director  
Central Intelligence Agency
